Rodents on the Road Newsletter for the Month of: October

- We would like to thank everyone for visiting us at the Fire Show. We will be attending the Tampa Repticon show on November 12& 13, and we would love to see all of you there. We will bring live rats and mice as well as frozen rats. Due to Repticon restrictions, and the allowance of exclusives, we will not be permitted to sell frozen mice at the show. If you would like to per-order frozen mice we can deliver them to you as long as they are paid for BEFORE the show.
- We are still working on the improvement of our website and trying to make it more user-friendly. Thank-you for your patience with this process and feel free to give us your suggestions at suggestions@rodentsontheroad.com.
- Many of you may not know that we are now selling snakes in addition to the rats and mice. If you are interested please send us an email telling us what you are looking for or stop by our table at the next show to see what we have available. If you are looking for something specific, be sure to let us know as we may be able to get it for you!
- We have edited some of our mailing lists since we have discovered many of you do a great deal of traveling. We will now be mailing everyone who has filled out our flyers to inform you of our travels through the State and allowing greater opportunity for deliveries. If this presents a problem, and you would like to be notified only when we are in certain cities/areas, please feel free to send us an email congaing the locations you would like to be notified about.
- Last, but not least, a big thank you to our customers and friends for all of your support! A special shout out to Andrew at Panda Studios for all the hard work he has done on revamping our website and the work he continues to do to improve it's functionality =)

Sincerely,
Craig & Jessica Sherar and Levi & Sara Cranston
